Sir:

**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT (37 C.F.R. § 1.121)**

In response to the Notice of Non-Compliant Amendment mailed June 20, 2008, Applicants submit herewith a substitute "Amendments to the Claims" section of the Amendment filed April 1, 2008.

In the substitute "Amendments to the Claims," the status identifier of claim 11 now properly identifies the claim as "Withdrawn; currently amended".

In the same section, Claims 5 and 6 now properly show the added subject matter by underlining the added text and the deleted subject matter by strike-through. Please note that the "62%" described in claim 5 in the amendment filed on April 1, 2008 is an error based on an error in the published application, see paragraph [0026] of the published application. The current amendment of "69%" is supported by the original

international application filed on April 3, 2003, see line 1 page 6 of the originally filed international application.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
